

Checking Points for Accidental Damage on XKE Body and Front Frame Section

A.	Upper hole of top mounting flange to lower hole of lower mounting flange on front sub frame.	10 ³ / ₄ "	N.	Outer face of front sub frame tube to center line of car.	16 ¹⁵ / ₁₆ "
B.	Center line front hub to rear mounting flange front sub frame.	14 ⁵ / ₃₂ "	O.	Center line of radiator mounting hole to center line of car.	8 ¹ / ₄ "
C.	Second from top hole on engine mounting post to datum line.	10 ¹ / ₈ "	P.	Center line of front frame tube to center line of radiator mounting hole.	5 ³ / ₄ "
D.	Lower rear face of front crossmember to front bulkhead face.	35 ²⁵ / ₃₂ "	Q.	Top outer hole of front sub frame upper mounting flange to center line of car.	10 ¹¹ / ₁₆ "
E.	Upper rear face of front crossmember to front bulkhead face.	35 ³ / ₄ "	R.	Inner hole of outer side member mounting flange to center line of car.	22 ⁷ / ₈ "
F.	Centerline of holes on engine mounting post to front bulkhead.	25 ¹ / ₈ "	S.	Inner hole of top side member mounting flange to center line of car.	8 ⁵ / ₈ "
G.	Top hole in outer side member to datum line.	3 ¹ / ₈ "	T.	Rear mounting flange face of outer side member to front bulkhead face.	8"
H.	Top hole in upper outrigger flange to datum line.	15 ¹ / ₈ "	U.	Center line of hole in front of body underframe side of member to center line of car.	9 ²⁵ / ₃₂ "
I.	Center of radius arm mounting post to front face of rear wheel aperture.	2 ¹⁵ / ₁₆ "	V.	Outer hole of outrigger mounting bracket to center line of car.	26 ⁵ / ₈ "
J.	Center line of front lower mounting hole to front face of rear wheel aperture.	9 ²³ / ₃₂ "	W.	Center line of radius arm mounting post to center line of car.	18"
K.	Center line of front lower mounting hole to center line of rear mounting hole.	10 ³⁷ / ₆₄ "	X.	Center line of hole in rear of body underframe side member to center line of car.	9 ¹ / ₈ "
L.	Center line of lower mounting hole to datum line.	8 ⁷ / ₆₄ "	Y.	Outside face of rear suspension mounting points to center line of car.	99 ¹ / ₁₆ "
M.	Center line of rear lower mounting hole to rear number plate panel.	31 ⁴³ / ₆₄ "
